

NOTIFICATION FOR THE PUBLIC DISCLOSURE OF THE RESETTLEMENT ACTION PLAN FOR THE MAKENI MARKET UPGRADE SUBPROJECT

This notice serves to inform interested and affected persons/parties about the disclosure of the Resettlement Action Plan (RAP) developed for the Makeni Market Upgrade Subproject. The project is funded by the World Bank through the Ministry of Finance and implemented by the Resilient Urban Sierra Leone Project (RUSLP) Project Management Unit (PMU). The upgrade includes demolition of existing market structures, construction of new market blocks, and development of temporary relocation sites for traders along Campbell Street in Makeni.

In compliance with the **National Development-Induced Resettlement Act 2023** and the **World Bank's Environmental and Social Standard 5 (ESS5)**, the RAP ensures that:

- Affected persons are **informed of their rights and options**;
- **Meaningful consultations** have been conducted with stakeholders;
- **Livelihood restoration and resettlement assistance** are included;
- **Grievance redress mechanisms** are accessible and effective;
- **Monitoring and evaluation** frameworks are in place to track outcomes.

A public disclosure workshop will be held at:

 **Makeni City Council Hall**

 **12th June 2025**

 **9:30 AM**

The RAP document is available for public review at:

- Ministry of Planning and Economic Development (MOPED) – NAO Building, OAU Drive, Tower Hill, Freetown
- Resilient Urban Sierra Leone Project (RUSLP) Office – 35 Percival Street, Freetown
- Makeni City Council Office – Dr. Vincent Kanu Road, Makeni

Feedback may be submitted during the workshop or via:

NOTIFICATION FOR THE PUBLIC DISCLOSURE OF THE RESETTLEMENT ACTION PLAN FOR THE KENEMA MARKET UPGRADE SUBPROJECT

This notice serves to inform interested and affected persons/parties about the disclosure of the Resettlement Action Plan (RAP) developed for the Kenema Market Upgrade Subproject. The project is funded by the World Bank through the Ministry of Finance and implemented by the Resilient Urban Sierra Leone Project (RUSLP) Project Management Unit (PMU). The upgrade includes demolition of existing market structures, construction of new market blocks, and development of temporary relocation sites for traders at the Forestry Compound in Kenema.

In compliance with the **National Development-Induced Resettlement Act 2023** and the **World Bank's Environmental and Social Standard 5 (ESS5)**, the RAP ensures that:

- Affected persons are **informed of their rights and options**;
- **Meaningful consultations** have been conducted with stakeholders;
- **Livelihood restoration and resettlement assistance** are included;
- **Grievance redress mechanisms** are accessible and effective;
- **Monitoring and evaluation** frameworks are in place to track outcomes.

A public disclosure workshop will be held at:

 **Kenema City Council Hall**

 **10th June 2025**

 **9:30 AM**

The RAP document is available for public review at:

- Ministry of Planning and Economic Development (MOPED) – NAO Building, OAU Drive, Tower Hill, Freetown
- RUSLP Office – 35 Percival Street, Freetown
- Kenema City Council Office – Dr. Julius Maada Bio Street, Kenema

Submit feedback via:

 **ruslppmu@gmail.com**
